

Pet Policy

We realize that pets are an important part of many families and we encourage families to travel together.

However, traveling with pets brings responsibilities for both the owners and the hosts.

To make this work for ALL our guests we welcome your pets at La Posada under these conditions:

_____ We require a \$60 pet deposit. If there are no issues with your pets we will refund \$50 at check out. We keep \$10 as a pet fee to pay for our extra housekeeping. If there are problems or complaints with your pet you will forfeit the entire deposit for the inconvenience of our other guests and staff. If your pets cause problems for other guests or damage to La Posada you may be asked to leave in which case you will also forfeit your room charges.

_____ Pets must be housetrained. Be sure your pets get outside often enough to do their duty! It is YOUR responsibility to clean up every time. There are several scoopers and buckets on the south (railroad) lawn. Your pet deposit will be forfeited if our staff has to clean up after your pets inside or outside the hotel.

_____ Pets must be on a leash at all times. Your pets can accompany you anywhere except in the Turquoise Room. Once outside, pets should use the south lawn only. Please keep your pets out of the sunken garden, entry (route 66) gardens and flower beds.

_____ You **MUST** keep your pets with you at all times. If you leave the hotel you **MUST** take your pets. While in the restaurant you may leave pets with a member of your party, in your car, or tethered in the arcade outside the Turquoise Room where you can keep an eye on them. Guests have repeatedly left pets alone and barking, causing great distress to the staff and costing us repeat customers. This is extremely disrespectful and will not be tolerated.

_____ **If there are issues or complaints related to your pet we will immediately call you. If you do not answer you will forfeit your entire \$60 deposit. If your pet is left unattended and barking, if you do not clean up your pet waste, or if your pet threatens other guests you will forfeit your entire \$60 deposit and you may be asked to leave the hotel, in which case you will also forfeit any room charges. The cell phone # we can reach you at any time for pet related questions or issues is:**

_____ Owner hereby agrees to pay in full for the replacement or repair of any items damaged by their pets at La Posada, and agrees that such costs if any may be charged to their credit card on file. Owners will be sent an itemized inventory of any charged damages.

_____ Owner hereby agrees to indemnify, defend, and hold harmless La Posada from liability for any costs related in any way to the presence of their pets at La Posada, including any issues with other pets.
